## Next Meeting: Canceled

We will be canceling our evening meetings till meeting restrictions have been lifted

## Davy Crockett Region 2021

Time to start thinking about 2021 and the region or if we will have a region next year. We have 16 paying member families in 2020. I checked with National and we only need 5 member families to continue a region so we are good there. We also need a President, Ed volunteered for 2020 when no one stepped forward to be president. Who will act as president in 2021. The job can be as much or as little as you want it to be. We need someone to be the official president, to be listed with AACA Nationals. The pandemic will limit our activities for at least part of 2021 but we do need a president if we want to continue and try to rebuild the club going forward.

**Please let Ed know if you're interested.**

## Editor's Comments

Thanks to Don for Auto Trivia and Ed for the Fly-In report.

Not many car shows this year but there are two listed in the back including the big Erwin show that was postponed from June. In a normal year they fill all of main street and several side parking areas All free with live music. Might want to check it out on October 17th. Gate opens at 8am.

The other show is on October 10th in Dandridge, TN at the Ball Park and the gates open at 9. Registration is a new unwrapped toy.

Still a few cruises going on.

## Help Needed

Can anyone recommend a good shop to do an engine overhaul?

My Edsel is making horrible noises, it sounds like it is about to throw a rod when under load.

I know about White performance in Kingsport, any body else to recommend or stay away from?

Bob Henrich. <[edselcorvair@netzero.net](mailto:edselcorvair@netzero.net)>

This dude was one of our birthday boys last month, can you identify him. He said he ran the wheels off his staff car.

## Cars & Coffee - Canceled

We are cancelling Cars & Coffee till restaurants get back to normal.

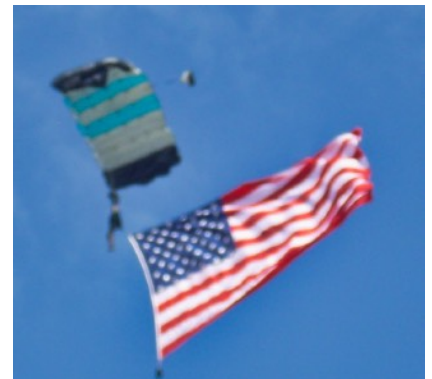

## Wings & Wheels on the Greene - Greeneville Airport

Ed Logan

I would estimate over a 100 vehicles, 25 plus airplanes, lots of skydiving, etc at the Wings & Wheels show Saturday the September 12th. Great day to be out, home before the rain stated. Zimmerman, Joe, Ed, B17 fly-over
