Drips from the President's Dynaflows...

Hope you have had a safe and restful June. At our June meeting Karen gave us a preliminary financial report on our Spring Auto Show. Karen will have had time now to process all the financial information and give us a detailed report.

We had lots of great "press" in the Greeneville Sun this year. I believe that happened because of our donations to the Coal Fund, Wood Fund, Holston Home, and animal services. Karen will let us know what we will be able to donate this year to these fine organizations.

I just returned from a trip to Midwest City, OK, and then on to the area north of Dallas, TX, to see my kids and grandkids. The Buick Club America held its annual national show in Midwest City (next to Oklahoma City). I trailered my 1963 Buick Wildcat out for the show. I knew going in that it would not do well in any judging category as it did not have enough modifications to enter the Modified Class, and that those same modifications (like the wheels and tires) would deduct major points in the "strict" judging class. The car showed well and was well liked by those attending the show.

Buick Tour

There was a second 1963 4 dr. hardtop Wildcat next to mine there for "display only". It was basically a very nice original survivor. The owner and I must have discussed the differences in trim and options on the two cars for an hour or more. FUN !! I have enclosed some pics for Jim to choose from to include with this "Drip".

Hope to see you at our next meeting on July 1st at 7 pm at City Garage Car Museum. Those who want to eat first, meet at Phat Cat Café on Spring Street across from Town Square at 5:45 pm

2019 Car Show Results

Darlene Montgomery

It should be no surprise that the Annual Spring Auto Show, which took place on Saturday, June 6, 2019, was an outstanding success.

The event took place at Gateway Ford and we had a great turn out due to great weather and the effort of car club members that contributed their time and effort to make this event a resounding success. Just prior to the event, free doughnuts & coffee was available to the entrants and the public, sponsored by Gateway Ford who provided the coffee and Publix Supermarkets who supplied the doughnuts.

We had 47 entrants plus another 10 car club members vehicles that were on display to the general public. Following the judging, ten (10) categories were awarded trophies for their vehicles:

Best of Show: sponsored by Auto Spa in Greeneville, TN, was won by Norman Proffitt who entered a 1966 Ford Fairlane GT.

Sponsor's Choice: sponsored by Gateway Ford in Greeneville, TN, was won by Charlie Miller who entered a 1953 Chevy 3100 Pickup.

People's Choice: sponsored by Consumer Credit in Greeneville, TN, was won by Kenneth Lunghofer's 1965 Factory Five Shelby Cobra.

President's Award: sponsored by the Davy Crockett AACA Car Club, was won by Mark Riecker who entered a 1937 Chevy Coupe.

Muscle: sponsored by Kykers Xtreme Automotive in Greeneville, TN, was won by William Hayes 1965 Chevy Malibu.
